Basic diploma/degree	Advanced Diploma	Master's degree	Other, please specify
1	2	3	4

Yes	No
10.	11.

12. Trained on EMTCT

Section 2: Framework Validation

Questions
1. In your opinion, is the developed framework relevant to improve EMTCT services?
2. In your experience, does the framework address key barriers to the utilization of EMTCT services?
3. Are stipulated periods per week sufficient?
4. In your opinion is it necessary for healthcare workers to be provided with in-service training on the provision of EMTCT services?
5. In your opinion do you think the stipulated period for health education on EMTCT services on daily basis will improve the utilization of EMTCT services?
6. In your opinion do you think the involvement of community stakeholders, family members will improve access to EMTCT services?
7. Are the roles of Nurses in the promotion of EMTCT services clear?
